Activity Director / Board Member  
hbg501@hotmail.com

**Sharon Graves**  
Treasurer  
shagra28@gmail.com

**Chris Alford**  
Pro-Staff Director, Texarkana, Tx  
430.200.2916

3407-A Denson  
Longview, Texas 75604

POWER, Inc. (People On Wheels Encouraging Responsibility) is a non-profit, 501 (c)(3) organization dedicated to breaking down barriers and assisting those with disabilities live life to the fullest. Our philosophy is quiet simple. We believe passionately that each of us have more potential and capabilities than we give ourselves credit for. Through our outings and activities, we endeavor to assist others in seeing their potential and helping them to decide to not just exist, but to live life! POWER sponsors events throughout the calendar year, some of which include bowling, miniature golf, cookouts, disc-golf, camping, kayaking, fishing and skeet/target shooting just to name a few. Several of our regular participants have even gone sky-diving together with another jump planned in the near future!

Our premier function is a daylong event called the Adaptive Sportsfest, held annually at beautiful Lake Gladewater in Gladewater, TX. Sponsors, vendors and participants come from as far away as the Houston and Dallas areas for a day filled with fun and laughter. We provide "burgers and dogs" for every attendee that day courtesy of some amazing "grill-masters" that volunteer their time and equipment each year! One highlight is the water-skiing clinic that is offered through the hiring of Texas Adaptive Aquatics, which specialize in providing adaptive water recreation for those with disabilities. A few other Sportsfest activities are an archery clinic, hand-cycling, pier fishing, air rifle training / competition and a kayak clinic. This event alone draws nearly three-hundred people each year and has continually grown over the past twelve years.

Some of our volunteer base consist of members of AMBUCS, Lions Club, Kilgore College Physical Therapist Assistant Program, Boy Scouts and ALERT Academy. We are truly blessed to have so many well trained and caring individuals help us with this event each year.

Bringing people with and without disabilities together helps to promote disability awareness and relationship building, all of which help to break down barriers for everyone involved!

All of these wonderful activities and events would not be possible without the support from several sponsors and corporations. We at POWER would like to kindly ask for your financial support to help us continue our mission. Included is a sponsorship form showing the various levels. Any support you can provide is tremendously appreciated and help us not only with this annual event but with our activities throughout the year.

Thank you for your time and assistance!

# SPONSORSHIP BENEFITS
